

24:7 SERVE

Servite College
Tuart Hill

LEAD AWARDS 2019

Foundation partners 24:7 Youth Ministry, Caritas Australia and Servite College have collaborated through 24:7 SERVE to deliver contemporary programs.

Servite students coordinate youth engagement with local parishes and assist with the delivery of primary school programs including social justice education, sacramental preparation retreats, and leadership development for senior primary students.

Servite students are provided with active learning opportunities in faith formation and leadership development, including the option to complete nationally recognised qualifications. The College also hosts a weekly public youth group and events on campus, integrating faith, life and culture.
