

Boys Dance

Whitford Catholic
Primary School

LEAD AWARDS 2019

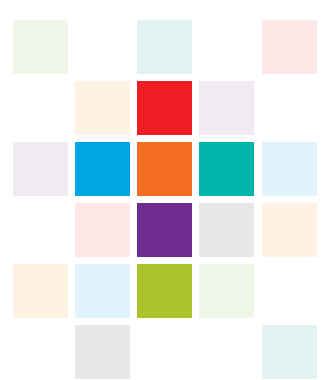

WCPS Boys Dance, a non-audition program for boys from Years 4 to 6, has grown from 50 students, at its inception in 2016, to today catering for 90 enthused and energised dancers.

Designed to appeal to, and provide for a diverse range of abilities, the program has exceeded expectations in engaging and encouraging boys to participate more fully in the arts through dance.

The hip-hop program provides the dancers with opportunities to shine, excel and be fully engaged in their learning.

The boys have had multiple opportunities to showcase their skills in arenas such as the Meraki Festival, ACHPER and Catholic Performing Arts Festival.
